

**BH INDUSTRIAL  
PRODUCTS, LLC**

*Metal Finishing Equipment, Service & Support*

# Parts Finishing Request Form:

The Parts testing lab offers sample processing for equipment, media and compound selection.

Any work done in the lab is warranted to perform.

Details of the process with instructions are given with the purchase of equipment and/or consumables.

We offer onsite consultation for machinery and parts process evaluation.

**Company** \_\_\_\_\_

**Contact/Title** \_\_\_\_\_

**Email** \_\_\_\_\_

**Phone** \_\_\_\_\_

**Street** \_\_\_\_\_

**City, State, Zip** \_\_\_\_\_

**Website** \_\_\_\_\_

**1. Type of Metal. What is the part manufactured for?** \_\_\_\_\_

\_\_\_\_\_

---

2. Method of manufacturing\_\_\_\_\_

3. Production Numbers, Daily,  
Weekly\_\_\_\_\_

4. Parts Dimensions\_\_\_\_\_

5. Finishing Requirements.\_\_\_\_\_

---

6. What's your existing equipment, media used?

Timecycles?\_\_\_\_\_

---

7. Post operation, IE. Anodizing, Powder Coating, Assembly.\_\_\_\_\_

---

8. What equipment and or consumables are you inquiring about?\_\_\_\_\_

---

For testing send unfinished parts to the address below.

Depending on the size of the parts 5 to 15 are enough.

We request you send your existing finished piece.

If available a part showing the new results required.

Pictures of the parts with details also helps.
